INNOVATION TO SUSTAINABILITY - OR NOT

A black and white photograph of two young men in a classroom. They are both looking down at a laptop screen. The man in the foreground is on the left, and the man in the background is on the right. They are both wearing lanyards with 'SONOMA STATE UNIVERSITY' printed on them. The text 'ANALYTICS' is overlaid in large white letters on a dark grey horizontal band across the middle of the image.

ANALYTICS

WHY SHOULD WE BE INTERESTED?

A row of mannequin heads in various colors (white, grey, black) against a dark background. The heads are arranged in a line, receding into the distance. The lighting is dramatic, highlighting the contours of the faces.
