INTERNATIONALISATION

The screenshot shows the Crowdin project page for 'Aperreo OAE Translations'. The browser address bar displays 'https://crowdin.net/project/apereo-oae'. The page features navigation tabs for 'Translations', 'Activity', and 'Discussions'. A 'Filter languages' input field is present. The main content is divided into two sections: 'Needs Translation' and 'Completed'. The 'Needs Translation' section lists 24 languages with their respective progress percentages: Afrikaans (50%), Amharic (0%), Arabic (0%), Catalan (94%), Danish (0%), Finnish (0%), Fula (0%), Greek (0%), Hausa (0%), Hebrew (0%), Igbo (0%), Italian (45%), Japanese (0%), Korean (0%), Norwegian (0%), Polish (70%), Portuguese (15%), Russian (18%), Swahili (0%), Swedish (11%), Turkish (41%), and Vietnamese (0%). The 'Completed' section lists 6 languages, all with 100% approval: Chinese Simplified, Dutch, French, German, Hindi, and Spanish. On the right side, there is a sidebar with project details: 'Source language: English, United Kingdom', 'Owner: Mark Breuker', and a list of 'Managers' including Nicolaasmatthijs, D. Stuart Freeman, Bert Parayn, Branden Visser, Simon Gaeremynck, Mathieu Decoene, and sathomas. At the bottom of the sidebar, it states '26 users participate in this project'.

Language	Progress
Afrikaans	translated: 50%
Amharic	translated: 0%
Arabic	translated: 0%
Catalan	translated: 94%
Danish	translated: 0%
Finnish	translated: 0%
Fula	translated: 0%
Greek	translated: 0%
Hausa	translated: 0%
Hebrew	translated: 0%
Igbo	translated: 0%
Italian	translated: 45%
Japanese	translated: 0%
Korean	translated: 0%
Norwegian	translated: 0%
Polish	translated: 70%
Portuguese	translated: 15%
Russian	translated: 18%
Swahili	translated: 0%
Swedish	translated: 11%
Turkish	translated: 41%
Vietnamese	translated: 0%
Chinese Simplified	approved: 100%
Dutch	approved: 100%
French	approved: 100%
German	approved: 100%
Hindi	approved: 100%
Spanish	approved: 100%

Supporting academic collaboration

A powerful new way for students and faculty to create knowledge, collaborate and connect with the world

 **Authoring Experiences**

Rich, compelling interactive content authoring providing students and faculty with a modern content creation tool for today's digital world.

 **Channels of Communication**

Participating in discussions and feedback within personalized networks of resources and people, furthers learning as project teams collaborate and communicate.

 **Access to Content**

Expanded access to learning and research materials better connects library services and resources with teaching and research within and between institutions.

WHAT'S NEXT

RESPONSIVE UI

COLLECTIONS

The screenshot displays a user interface for a digital library. At the top, there is a navigation bar with icons for home, announcements, and a briefcase, followed by the 'oe' logo. A search bar and a share icon are on the right. Below the navigation bar, a user profile for Sarah Smith is shown, along with 'Upload' and 'Create' buttons. A left-hand navigation menu includes 'Recent activity', 'My library', 'My groups', 'My discussions', and 'My network'. The main area is titled 'Library' and contains a sub-menu with 'Upload', 'New document', and 'Create folder' options. A list of items is displayed, including a folder named 'Research group materials' and several PDF files. A mouse cursor is hovering over a document icon with a green '5' badge.

USER / GROUP PROFILES

The screenshot shows a user profile for Sarah Smith. At the top, the user's name and a dropdown arrow are visible. Below this is a navigation menu with a hamburger icon. The profile header features the name "Sarah Smith" and a portrait photo. A bio section contains the text: "I've always been interested in the business side of engineering. This summer I interned at Nestle HealthCare Nutrition in Turkey as a sales analyst for a month, went to India for a couple of weeks, and had a good friend over to explore the Turkish Islands with." To the left of the bio is a pink box with the text: "2nd Year Biomedical Engineering concentrating in Technology Innovation". Below the bio is a grid of photos titled "Photos of our summer in Turkey". At the bottom, there are three colored boxes: a pink one for "Shared content" (56), an orange one for "Active groups" (14), and a dark grey one for "I'm currently reading..." with a book cover for "KITE RUNNER".

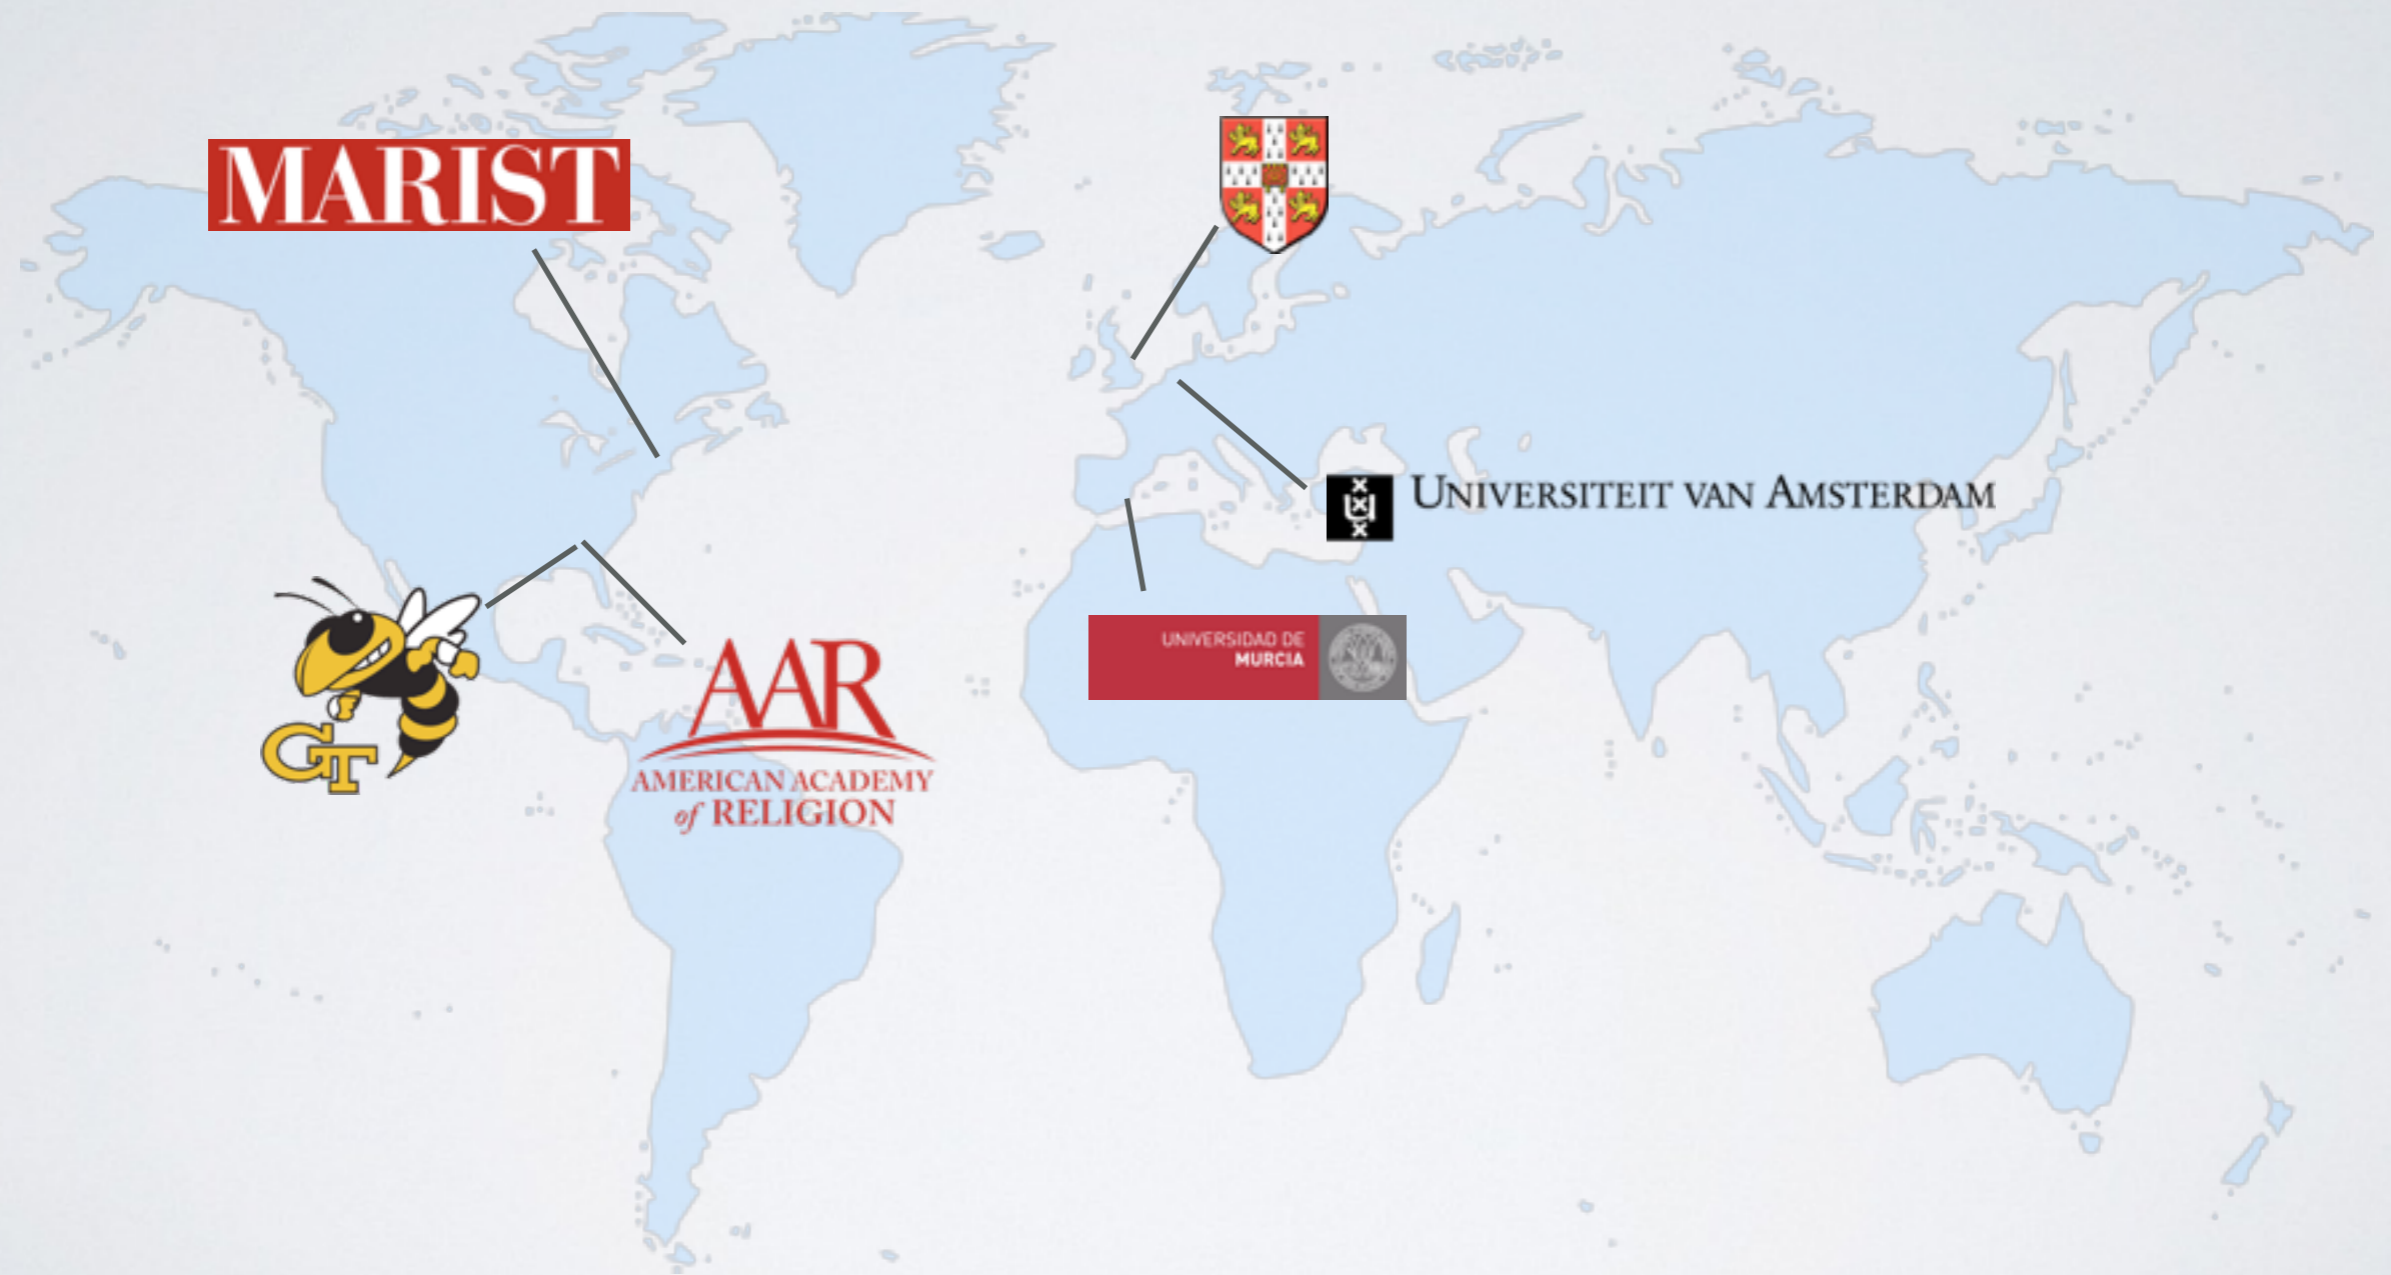

The screenshot shows a group profile for "LHC & Higgs". At the top, the group name and a dropdown arrow are visible. Below this is a navigation menu with a hamburger icon. The profile header features a large image of the LHC tunnel and a portrait of Peter Higgs. The bio section contains the text: "What uses can you see these results impacting for science and humanity?". To the right of the bio is a black box with the text: "Content 79". Below the bio is a video player showing a time-lapse of the particle accelerator. At the bottom, there are three colored boxes: a black one for "Comments 129", a dark grey one for "Our current findings Discussion", and a black one for "Shared 5k".
